Subject: ALR deliverables in the coming weeks

Hi Kerry

As requested, below is a list of the deliverables we are working to this week and the subsequent two weeks. Each deliverable has a dependency on future deliverables, meaning that in order to meet the April report back and Board appointment timeframes, we need feedback on advice from Ministers (or otherwise for Ministers to send letters etc) in quick succession on the following Monday/Tuesday.

Earlier, I discussed with you our suggestion that a regular meeting is set up for the next three weeks between all three Ministers so that they can discuss and align their feedback on recommendations. I understand you will test this with other ministerial offices.

w/e 18 March

- Briefing on fees, requiring Ministers to send a letter to the Minister of Public Services
- Briefing on mana whenua representation, requiring Ministers to send a letter to each of the 15 iwi

w/e 25 March

- Briefing on the preferred candidate for Board appointments, following interviews (feedback would be needed by Tuesday 29 March at the latest)
- Draft Cabinet paper (DEV report back)

w/e 1 April

- Draft APH Cabinet paper for Ministerial consultation
- 'Report back' Cab paper for Ministerial consultation

Thanks

Gareth
